Emergencies are a fact of life.

Although you can't predict emergencies, **you can best prepare for them.** The most important thing that both board members and management can do to ready themselves for the unexpected is to create a customized emergency preparedness plan.

What happens when the 1st 911 call comes into the call center?

What information is vital during that 911 call?

Does your condo property have an evacuation plan and educated to the community?

How do you start to alert and evacuate residents?

Special care for the elderly or mobility impaired?

Are you aware of the fire dangers of Lithium Batteries!

Are you aware of the fire dangers of Electric Vehicles?

Oh my, Cooking that can cause a disaster!

Fire Departments mandatory training don't include just putting out a fire!

Webinar for outer islands only.

We are so pleased to have all the County Fire Departments participating in this very important
